### School ~ Family Compact?

It is an agreement that families, teachers, and students review and update annually that explains how all stakeholders will work together to make sure **ALL** students reach their academic potential and graduate from high school. The compact signed by parents, students and faculty describes how each will be responsible for supporting academic learning. The school-family compact remains at home to be reviewed by the student and parent. It will be discussed throughout the school year at different family engagement programs and parent-teacher conferences.
